**Spring is approaching and as the weather warms up, everyone will be spending more time outside in the yard. Housing has 5 tips to help you always be a good neighbour.**

## **To be a good neighbour:**

- **Drive at a reasonable speed through the reserve, excessive speed kicks up dust and causes a disturbance to others.**
- **Keep your pets quiet and under control to prevent them from bothering others.**
- **If your pet rips up garbage, clean it up quickly to keep yards clean and tidy.**
- **Don't play music loudly or disturb neighbours after 11pm.**
- **Ensure that guests and visitors respect the Spuzzum reserve by asking them not to speed or litter**

**Thanks from**
