*Our Land. Our Future. Our Success. Forward Focused Nation Building.*

## LAND USE PLAN CALL TO ACTION:

### 30 Days To Provide Membership Feedback

The Spuzzum Land Use Plan sets the future vision for the Spuzzum First Nation reserve lands. The Land Use Plan is a guiding document that will direct future land use and development decisions on our lands. The purpose of our Land Use Plan is to:

- Define our land management goals and vision for our lands now and into the future
- Establish planning areas and use designations that will guide future growth and development
- Protect, preserve and enhance cultural and environmental features.
- Serve as a basis for policies, regulations and decisions related to land use on our reserve lands
